

## New CastleStorm Screenshots and Wallpapers for GamesCom!

Hello from GamesCom! Today we are happy to release a new set of screenshots for Zen Studios' upcoming castle vs. castle physics based destruction, real-time strategy game (did you get all that?), *CastleStorm*, available for download from the [CastleStorm press site](#).

*CastleStorm* will release this fall on Xbox LIVE® Arcade. Zen Studios is proud to be working with Microsoft Games Studios, as we have found enormous success with them on prior projects, including *Pinball FX2™*.

In conclusion of this update, we are happy to release a set of CastleStorm wallpapers, free for anyone to download from [www.castlestormgame.com](http://www.castlestormgame.com). These war inspired desktop wallpapers will increase your appetite for CastleStorm destruction!
